Executive Summary

I am an enthusiastic and hardworking individual that is currently seeking an opportunity to change my career. I have excellent communication, people and teamwork skills that I have built whilst working in the fast pace of the hospitality industry for the last 20 years, I can work well as part of a team, also on my own, using my initiative. I'm able to carry out instructions and ask if I am unsure. I pay attention to detail and work hard at getting it right. I am always open to learning new skills and challenging myself to progress to new levels. I take my responsibilities seriously. I am aware of health and safety issues in different working environments.

Additional Information/Interests

- I am currently working on building up the Menu Manager site to include costings from the products up to the final menus that will automatically change when the cost of produce goes up or down to give the true 70% GDP. Also moving it from a browser to a desktop application for better user experience.
- Regular engagement on Slack tech forum.
- Fluent English
